COWLEY COLLEGE

2022 is the Cowley College 100-year anniversary! I'm thrilled to be part of this amazing institution's tradition of providing outstanding service to all of our students and stakeholders and continuing this legacy into the next century. Quality, service, and continuous improvement will always be our focus; and strategic planning generates a roadmap for moving forward to serve with excellence.

Strategic planning involves our WHOLE organization, employees, community, students and stakeholders, allowing us to incorporate extremely valuable information to accomplish our goals and honor our mission. As a result, we are able to manage the challenges and changes necessary to keep Cowley College moving in the right direction.

Higher education continues to evolve and change and this plan is designed to be agile and relevant. Serving all constituents and students with excellence is our pursuit. My sincere thanks to all of the amazing employees, trustees, and others who have shaped through their commitment, work and vision. Now, it's our privilege and opportunity to carry on this critical and amazing work and legacy.

Happy anniversary to Cowley College! I'm excited to see the amazing accomplishments this institution will achieve in the next 100 years!
