135.00 CAMPUS VISITORS

Individuals or groups not affiliated with Cowley College who wish to engage with students, employees, or the public on campus property—whether to distribute materials, promote services, conduct outreach, or solicit for any reason—must receive prior written authorization from the Vice President of Finance and Administration.

Approved visitors are required to wear visible identification while on campus and may only operate in designated areas during approved times.

This policy applies to vendors, business representatives, organizational recruiters, guest speakers, and any other external individuals or entities engaging in outreach on campus grounds.
